

# **Seamanship, Marine Engineering and Human Relations**

**First Edition – June 2011**

## **Contents**

### **Part 1 - Section 1**

#### **Personal Development and Basic Ship Knowledge**

##### **Chapters**

1. Personal Development
2. Basic Ship Knowledge
3. General Shipboard Safety and Health
4. Hand Tools and Measuring Instruments
5. Questions and answer key

### **Part 1 - Section 2**

#### **Marine Engineering Knowledge**

##### **Chapters**

1. Familiarization with duties and Engine room
2. Instruments in the Engine Room
3. Maintenance and Workshop Practice
4. Auxiliary Machinery
5. Diesel Engines
6. Watch keeping in the Engine Room
7. Working with Machines
8. Welding
9. Lubrication
10. Level Measuring
11. Lagging and Insulation
12. Electrical Tools and Fittings
13. Chemicals on Board
14. Steering Gear
15. Storage Tanks
16. Emergencies in the Engine Room
17. Fire Extinguishing Equipment in the Engine Room
